#### Government funding covers eligible funded childcare hours only.

Government funding covers eligible funded childcare hours only. Our nursery offers funded childcare on a term-time basis over 38 weeks of the year and over 51 weeks stretched.

Funding does not cover meals and snacks, optional consumables or childcare taken beyond a child's funded entitlement. Any charges for these items will be clearly itemised and are voluntary; purchasing them is not a condition of accessing a funded place.

Purchasing additional hours is voluntary and is not a condition of accessing a funded place.

Two-day places are offered subject to availability and are reviewed each term.

Please speak to the school office for further information about eligibility, available funded-session patterns and the childcare arrangements best suited to your family.

**Please contact the school office to discuss charges or book a tour.**
